EXPERIENCE

Marketing Manager

Feb 2020 – Aug 2025

Evergreen Supply Network

Farmers Branch, TX

- Built a supplier-partner sponsorship program from scratch to \$300K in recurring annual revenue by prospecting partners, pitching tailored packages, closing agreements, and renewing them year over year.
- Owned the full relationship lifecycle with vendor and supplier partners, serving as the single point of contact from first outreach through contract and renewal.
- Integrated AI-driven workflows and advanced prompt engineering into campaign production, reporting, and partner research, streamlining operations and expanding output while running the department solo.
- Reported performance, pipeline, and concrete recommendations directly to the CEO on a regular cadence, turning results into decisions rather than just data.
- Planned and ran the company's annual conference each year for 400+ attendees, coordinating multiple vendors, keynote logistics, and sponsor deliverables end to end.
- Managed the full Marketing and Events budget, keeping every project on timeline and within scope.
- Grew organic website traffic 25% in the first year through an SEO-driven site overhaul, and lifted engagement 15% year over year across integrated email, social, and digital campaigns.
- Built and led a cross-functional marketing committee to drive internal buy-in and keep initiatives moving faster across teams.

Director of Marketing & Communications

Aug 2018 – Feb 2020

Lakewood Country Club

Dallas, TX

- Managed all member-facing relationships and communications in a high-touch, membership-driven environment, growing member engagement 20%.
- Ran segmented email campaigns and improved open rates 15% through subject-line testing and tighter audience targeting.
- Produced event promotion and collateral that increased event turnout and member participation across the club.
- Led a website redesign and mobile app content to improve the overall member experience and retention.
